Veronica Guerin movie, Conor and Hugh were also hairdressers to Brendan Gleeson, Jon Voight, Angelina Ball and Maria Kennedy on the set of *The General*. They worked with Gabriel Byrne on *Draiocht*.

They were also teamed up with Brad Pitt while he was here shooting *Devil's Own*. "My girlfriend was very, very impressed to meet HIM," Conor recalls.

Conor and Hugh learned their craft in the family business as their father owns a string of hairdressing salons around town, including Flick's, Sweeney Todd, Options, Hair Loft and Total Image.

The two brothers decided to make the break and branch out on their own, buying *The Grafton Barber* and *The Green Dolphin* in near-by South Anne Street, two of the oldest barber shops in the city.

They are both award-winning barbers in Ireland and Britain and have competed in the World Cup of hairdressing at Wembley Arena.

And they have their own singing barber, Peter Quinn, who intends to sell his latest album, *Streams Of Passion*, through barber shops nationwide!
